**SOME HELPFUL NOTES**

- **Should you require a font which isn't shown, we may have it in stock. Therefore, please feel free to contact us on 0115 714 8001 or email [info@idocreations.co.uk](mailto:info@idocreations.co.uk).**
- You may select one or two font styles. If you select 2 styles, they will be coordinated throughout your wedding stationery.
- If selecting two styles, one will be used for the main body of your stationery and the second will be used for the names of the bride and groom.
- Scripted typefaces are usually only used for the names of the bride and groom. The body of your stationery requires a clear font to make it easier on the eye to read. However, there are no hard or fast rules on this matter.
- Spacing between letters/characters/words and angled lettering vary between font styles.
- Remember, you will receive a proof or your order with the selected font style(s) prior to printing of your order. You may also request your wording in a variety of font styles in order to see which you prefer. (Remember to request this service on placement of your order).
