### Some helpful Notes

- Should you require a typeface which isn't shown, we may have it in stock. Therefore, please feel free to contact us on 0115 7148001 or email [ido creations@f2s.com](mailto:ido creations@f2s.com).
- You may select one or two of the typefaces. If you select 2 typefaces, they will be coordinated throughout all your wedding stationery.
- If you select two typefaces, one will be used for the main body of your stationery and the second will be used for the names of the bride and groom.
- Scripted typefaces are usually only used for the names of the bride and groom. The body of your stationery requires a clear typeface to make it easier on the eye to read. However, there are no hard or fast rules on this matter.
- Spacing between letters/characters/words and angles lettering vary from typeface to typeface and cannot be adjusted.
- Remember, you will receive a proof of your order with the selected typeface(s) prior to the printing of your order. Therefore, changes can be made, if required.
